

Context

This is a 2-email re-engagement sequence for inactive subscribers, designed to confirm who still wants to stay on the list while keeping the tone playful, human, and lightly curiosity-driven.

SL: Open or it's goodbye 😞

Hey {{first_name}}.

We've been in each other's inboxes for a while now... but lately, it's been crickets on your end.

If life got in the way, [click here](#) to signal to me you're alive, and we'll keep you in the system.

(Just kidding. But it'll at least tell me you're reading this and still want to be here.)

If not, no pressure, but I gotta ask:

Is this the end of the road for you and me?

If you still want:

- Simple ideas to grow your business faster
- Honest lessons to help you avoid costly mistakes
- Tools and insights to stay ahead of your competitors

Just reply to this email with **YES**, and I'll keep you on the list.

But if now's not the right time, no hard feelings.

You can scroll down and unsubscribe, and we'll quietly part ways. 💛

Either way, I'm cheering you on, {{first_name}}.

Emma

P.S. Still reading, but low-key forgot why you signed up in the first place? Here's one of my most listened-to podcast episodes, all about the big shifts happening in online marketing and how to actually keep up. [\[Click to listen.\]](#)

Email 2:

SL: {{first_name}} - Goodbye Forever?

{{first_name}}, this is my last message before I clean up the list.

I've got a few useful things coming up that could help you grow faster, avoid expensive mistakes, and stay ahead of what's changing online.

But I only want to send them to people who still want to hear from me.

If that's you, [click here](#), and I'll keep you around.

If not, no hard feelings, I'll take the hint and remove you from the list.

Emma
