

Fadel El Hachimi

DTC CREATIVE STRATEGIST

Creative Strategist with a strong direct-response background across e-commerce and performance marketing. Led creative strategy for brands generating **\$1M+ in monthly revenue** and worked on accounts scaling through **\$300K+ in monthly ad spend**. Experienced across customer and competitor research, creative insights, angles, concepts, hooks, UGC scripts, creator/editor briefs, native ads, long-form ad copy, advertorials, listicles, mini-VSLs, statics, creative testing, performance analysis, and iteration across Meta, TikTok-style native creative, and Google Ads.

EXPERIENCE

Luxe Du Jour | 2025-2026

Head of Creative Strategy

- Led creative strategy for a high-ticket luxury e-commerce brand consistently generating **\$1M+ in monthly revenue** profitably.
- Owned the process across customer research, competitor analysis, insights, angles, concepts, hooks, scripts, creator/editor briefs, testing, and iteration.
- Developed and scaled creator-led paid-social creative across native UGC/Reels, talking heads, statics, catalog/carousel ads, and direct-response formats.
- Analyzed retention, CTR, CPC, CPA, ROAS, purchases, AOV, and spend durability to identify winners, diagnose losing creatives, and determine what to test next.
- Scaled winning concepts through new hooks, adjacent angles, creators, products, video lengths, pacing, and execution variations while collaborating with media buyers, creators, editors, designers, and the founder.

Her Last Call | 2025

Head of Creative Strategy

- Led the full creative strategy process for a direct-response brand scaling through **\$300K+ in monthly ad spend**.
- Owned customer research, insights, angle development, concepts, hooks, scripts, creative briefs, and iteration strategy.
- Developed performance creative across UGC, talking heads, direct-response video, VSL-style concepts, AI-assisted creative, and paid-social formats.
- Used campaign feedback and performance signals to identify creative bottlenecks, prioritize new tests, improve underperforming concepts, and double down on promising directions.
- Worked across the full creative feedback loop from research and ideation through production briefing, launch analysis, iteration, and scaling.

Thomas Walters PLLC | 2024-2025

Funnel Strategist & Direct Response Copywriter

- Helped develop the full acquisition and conversion strategy across paid ads, webinar positioning, landing pages, email campaigns, and post-webinar follow-up.
- Worked across offer positioning, customer psychology, hooks, objections, sales messaging, funnel strategy, and direct-response copy throughout the customer journey.
- Contributed to a webinar campaign generating \$150K+ from a single webinar and helped support \$400K+ in closed deals overall.

Ma Ananda Sarita | 2022-2024

Funnel Strategist & Direct Response Copywriter

- Supported a full-funnel strategy for courses, programs, and in-person events across paid media (Meta Ads), landing pages, email campaigns, launches, and follow-up.
- Turned audience desires, objections, emotional drivers, and offer positioning into conversion-focused messaging throughout the funnel.
- Contributed to campaigns that helped generate **12+ sold-out events**.
