

Fadel El Hachimi

DTC CREATIVE STRATEGIST

Creative Strategist with a strong direct response background, working across DTC brands spending \$500K+ per month on paid acquisition and generating \$1M+ in monthly revenue. Experienced in turning customer research and performance data into angles, concepts, hooks, scripts, briefs, testing strategies, and iterations that maintain and scale creative performance across Meta and paid social.

EXPERIENCE

Plateful | 2026

Creative Strategist

- Managed creative strategy across multiple kitchenware products targeting a shared core customer persona, while the account consistently operated above \$500K in monthly paid ad spend.
- Developed product-specific angles, concepts, hooks, UGC scripts, statics, native ads, and creative briefs while maintaining consistent positioning across the broader product portfolio.
- Used customer research, competitor analysis, creative intelligence, and performance data to identify new testing opportunities and expand winning messaging across products.
- Managed ongoing creative testing and iteration across Meta and paid social, turning winning patterns into new concepts, formats, hooks, and executions.

Luxe Du Jour | 2025-2026

Head of Creative Strategy

- Owned creative strategy for a high-ticket luxury e-commerce brand consistently generating \$1M+ in monthly revenue.
- Built the creative testing roadmap across UGC, Reels-style ads, talking heads, statics, catalog ads, direct response video, and product-focused creative.
- Analyzed CTR, CPC, CPA, ROAS, AOV, purchases, retention, and spend durability to diagnose creative performance and determine what to test, iterate, or scale next.

TruHear | 2024-2025

Head of Creative Strategy

- Directed creative strategy for a direct-response hearing aid brand, scaling paid acquisition to \$500K+ in monthly ad spend.
- Developed research-driven angles around pricing, accessibility, trust, product value, and alternatives to traditional hearing aid purchasing.
- Built and scaled direct response campaigns across native ads, statics, video ads, long-form copy, advertorials, and conversion-focused creative.
- Used creative performance data to identify winning messages, diagnose bottlenecks, and extend successful concepts through adjacent angles, hooks, formats, and iterations.

Ma Ananda Sarita | 2022-2024

Funnel Strategist & Direct Response Copywriter

- Developed full-funnel acquisition and conversion strategy for online programs, premium retreats, and educational offers across Meta Ads, landing pages, email marketing, launches, and follow-up campaigns.
- Turned customer desires, emotional pain points, objections, and transformation-based positioning into conversion-focused messaging throughout the funnel.
- Developed direct response copy across paid ads, landing pages, email sequences, sales campaigns, and launch assets.
- Contributed to campaigns that generated 12+ sold-out retreats and more than \$1.2M in revenue.
